

The scenario continues. Robert and Sara Johnson are both U.S. citizens and have lived in Germany since August 2004 through the end of 2005. Robert is employed by the U.S. Armed Forces. Sara worked at a local bakery in Germany (Gulden's, 349028 Gulden Lane, Munich, Germany) and earned the equivalent of \$12,000 in wages. Robert and Sara do not consider themselves bona fide residents of Germany. But they were physically present for all of 2005, with the exception of a 3-day vacation to France. Their address in Germany is 239084 Marzolf Lane, Munich, Germany. They have never claimed the foreign earned income exclusion before.
